PREFACE

DCF 251 LICENSING RULES FOR GROUP CHILD CARE CENTERS AND CHILD CARE PROGRAMS ESTABLISHED OR CONTRACTED FOR BY SCHOOL BOARDS

Effective August 1, 2020.

Section 48.65, Stats., requires that persons operating child care centers which provide care and supervision for 4 or more children under age 7 years for less than 24 hours a day be licensed. The statutes also require the Department of Children and Families to establish rules that must be met in order to qualify for a license and which protect and promote the health, safety and welfare of the children in the care of the child care center.

Chapter DCF 251 is the rule governing Group Child Care Centers, which provide care and supervision to 9 or more children for less than 24 hours a day. There are also other rules governing the out-of-home care of children. DCF 250 is the rule for Family Child Care Centers where care and supervision is provided for between 4 and 8 children under age 7. DCF 252 is the rule for day camps which are licensed child care centers that provide an experience in a seasonal program oriented to the out-of-doors for periods of less than 24 hours a day.

Licensing rules should not be confused with certification for public funding of child care providers who care for between 1 and 3 children under age 7.

The fact that a child care center is licensed in no way diminishes the responsibility of parents for vigilance in ensuring that their children are receiving care that protects their physical well-being and encourages healthy intellectual and emotional development.

Whenever the rules in this chapter indicate that materials such as an application for licensure, a request for exception to a specific rule or a complaint about a center are to be sent to or requested from the Department, please refer to Appendix A which identifies the appropriate regional licensing office serving the county or tribe in which the center is located.

There is a header on each page that contains the rule cite for the section of the rule beginning on that page. A table of contents and an index are also included in this document as are appendices that contain key statutes related to the child care rules and a copy of DCF 13 (administrative rules governing child care background checks).

DCF 251.01 Authority and purpose. This chapter is promulgated under the authority of s. 48.67, Stats., to establish licensing requirements under s. 48.65, Stats., for group child care centers for children. The purpose of this chapter is to protect the health, safety and welfare of children being cared for in group child care centers.

DCF 251.02 Applicability.

(1) INCLUDED AND EXCLUDED CARE ARRANGEMENTS. This chapter applies to all group child care centers, whether the facility in which the child care and supervision are provided is known as a day care center, nursery school or preschool, head start or school-age child care program, or by any other designation, but it does not apply to the following:

(a) Care and supervision of children in a program, including religious education classes, which operates no more than 4 hours a week.

(b) Group lessons to develop a talent or skill, such as dance or music lessons, social group meetings and activities and group athletic activities.

(c) Care and supervision while the child's parent is on the premises and is engaged in shopping, recreation or other non-work activities.

(d) Care and supervision provided at the site to the child of a recipient of temporary assistance to needy families or Wisconsin works who is involved in orientation, enrollment or initial assessment prior to the development of an employability plan or the child care is provided where parents are provided training or counseling.

(e) Seasonal programs of 10 days or less duration in any 3-month period, including day camps, vacation bible schools and holiday child care programs.

(f) Care and supervision in emergency situations.

(g) Care and supervision while the child's parent is employed on the premises if the child receives care and supervision for no more than 3 hours a day.

Note: Section 48.65, Stats., exempts parents, guardians and certain other relatives; public and parochial (private) schools; persons who come to the home of the child's parent to provide care for less than 24 hours per day; and counties, cities, towns, school districts and libraries that provide programs for children primarily intended for social or recreational purposes from the requirement of a license.

(2) EXCEPTION TO A REQUIREMENT. The department may grant an exception to a requirement of this chapter when it is demonstrated to the satisfaction of the department that granting the exception will not jeopardize the health, safety or welfare of any child served by the center. A request for an exception shall be in writing, shall be sent to the department and shall include justification for the requested action and a description of any alternative provision planned to meet the intent of the requirement.

Note: A request for an exception to a requirement of this chapter should be sent to the licensing representative at the appropriate field office of the Department's Division of Early Care and Education. See Appendix A for addresses of the regional offices.

Note: The Wisconsin Model Early Learning Standards are voluntary standards that were designed to help centers develop programs and curriculum to help ensure that children are exposed to activities and opportunities that will prepare them for success in school and into the future. The Standards are primarily intended as guidance on developmentally appropriate expectations and are not intended to be used as a checklist to gauge a child's progress. The Standards are based on scientific research. Copies of the Wisconsin Model Early Learning Standards are available on the Wisconsin Early Childhood Collaborating Partners website at <http://www.collaboratingpartners.com/> or through the Child Care Information Center at 1-800-362-7353.

At least 30 days prior to the continuation date of the license, the licensee shall submit to the department an application for continuance of the license in the form and containing the information that the department requires. If the minimum requirements for a license established under s. 48.67 are met, the application is approved, the applicable fees referred to in ss. 48.68(1), 48.685(8), and 48.686(2)(ag) are paid, and any forfeiture under s. 48.715(3)(a) or penalty under s. 48.76 that is due is paid, the department shall continue the license for an additional 2-year period, unless sooner suspended or revoked. Those rules shall be designed to protect and promote the health, safety, and welfare of the children in the care of all licensees. The rules shall provide that any training in those methods that a licensee has obtained in connection with military service, as defined in s. 111.32(12g), counts

toward satisfying the training requirement under this subsection if the licensee demonstrates to the satisfaction of the department that the training obtained in that connection is substantially equivalent to the training required under this subsection.

In determining whether to issue or continue a license, the department may consider any action by the applicant, or by an employee of the applicant, that constitutes a substantial failure by the applicant or employee to protect and promote the health, safety, and welfare of a child. Upon satisfactory completion of this investigation and payment of the fee required under s. 48.615(1)(a) or (b), 48.625(2)(a), 48.65(3)(a), or 938.22(7)(b), the department shall issue a license under s. 48.66(1)(a) or, if applicable, a probationary license under s. 48.69 or, if applicable, shall continue a license under s. 48.66(5). At the time of initial licensure and license renewal, the department shall provide a foster home licensee with written information relating to the monthly foster care rates and supplemental payments specified in s. 48.62(4), including payment amounts, eligibility requirements for supplemental payments, and the procedures for applying for supplemental payments.

b. The state sex offender registry or repository.

c. The state-based child abuse and neglect registry and database.

(bb) If information obtained under par. (am) indicates a charge of a serious crime, but does not completely and clearly indicate the final disposition of the charge, the department shall make every reasonable effort to contact the clerk of courts to determine the final disposition of the charge. If information submitted to the department under par. (ag) indicates a charge or a conviction of a serious crime, but information obtained under par. (am) does not indicate such a charge or conviction, the department shall make every reasonable effort to contact the clerk of courts to obtain a copy of the criminal complaint and the final disposition of the complaint. If information obtained under par. (am), information submitted under par. (ag), or any other information indicates a conviction of a violation of s. 940.19(1), 940.195, 940.20, 941.30, 942.08, 947.01(1), or 947.013 obtained not more than 5 years before the date on which that information was obtained, the department shall make every reasonable effort to contact the clerk of courts to obtain a copy of the criminal complaint and judgment of conviction relating to that violation.

(bd) Notwithstanding par. (am), the department is not required to obtain the information specified in par. (am)1. to 10., with respect to a household member under 18 years of age whose background check request under par. (ag) indicates that the household member is not ineligible to be permitted to reside at a child care program for a reason specified in sub. (4m)(a)1. to 8. and with respect to whom the department otherwise has no reason to believe that the person is ineligible to be permitted to reside at the child care program for any of those reasons. This paragraph does not preclude the department from obtaining, at its discretion, the information specified in par. (am)1. to 10. with respect to a household member described in this paragraph.

(br) The department shall require the person who is the subject of a search under par. (am) to be fingerprinted on 2 fingerprint cards, each bearing a complete set of the person's fingerprints, or by other technologies approved by law enforcement agencies, unless the person has previously been fingerprinted under this paragraph.

(3)(am) Every year or at any time that the department considers appropriate, the department may request the information specified in sub. (2)(am)1. to 5. for all caregivers, noncaregiver employees, and household members.

(bm) Annually, by January 1, the department shall submit a report to the appropriate standing committees of the legislature under s. 13.172(3) describing the report prepared under sub. (4p)

(a) with respect to caregivers specified in sub. (1)(ag)2., specifically any information indicating that the caregiver is ineligible under sub. (4m)(a) to be licensed, certified, or

contracted to operate a child care program, and describing any action taken in response to the receipt of information under sub. (2)(am) indicating that such a caregiver is so ineligible.

(4)(a) A child care program that violates sub. (2), (3), or (4m)(a) is subject to a forfeiture of not more than \$1,000 and to other sanctions specified by the department by rule.

(b) A person who provides false information to the department under sub. (2) is subject to a forfeiture of not more than \$1,000 and to other sanctions specified by the department by rule.

(4m)(a) Notwithstanding s. 111.335, and except as provided in par. (ad) and sub. (5), a licensing entity may not issue an approval to operate a child care program to a person, and a child care program may not employ or contract with a caregiver or noncaregiver employee or permit a household member to reside at the child care program if the licensing entity or child care program knows or should have known any of the following:

1. That the person has been convicted of a serious crime or adjudicated delinquent for committing a serious crime or that the person is the subject of a pending criminal charge or delinquency petition alleging that the person has committed a serious crime.

2. That the person is registered or is required to be registered on a state sex offender registry or repository or the national sex offender registry.

3. That a unit of government or a state agency, as defined in s. 16.61(2)(d), has made a finding that the person has abused or neglected any client or misappropriated the property of any client.

4. That a final determination has been made under s. 48.981(3)(c)5m. or, if a contested case hearing is held on such a determination, a final decision has been made under s. 48.981(3)(c)5p. that the person has abused or neglected a child.

5. That the department has determined the person ineligible to receive an approval to operate a child care program, to be employed by a child care program, or to be a household member of a child care program.

6. That the person has refused to provide information under sub. (2)(ag), or that the person refused to participate in, cooperate with, or submit required information for the background check described in sub. (2)(am), including fingerprints.

7. That the person knowingly made a materially false statement in connection with the person's background check described in sub. (2).

8. That the person knowingly omitted material information requested in connection with the person's background check conducted under sub. (2).

(ad) A licensing entity may issue an approval to operate a child care program to a person conditioned on the receipt of the information specified in sub. (4p)(a) indicating that the person is not ineligible to be so licensed, certified, or contracted with for a reason specified in par. (a)1. to 8.

(c) A child care program may employ or contract with a potential caregiver or noncaregiver employee or permit a potential household member to reside at the child care program for up to 45 days from the date a background check request is submitted to the department pending the completion of the department's report under sub. (4p)(a) if

the department provides a preliminary report under sub. (4p)(c) to the child care program indicating that the individual is not ineligible to work or reside at a child care program. At all times that clients of a child care program are present, an individual who received a qualifying result on a background check described in sub. (2)(am) within the past 5 years must supervise a potential caregiver, noncaregiver employee, or household member permitted to work or reside at the child care program under this paragraph.

(4p)(a) The department shall provide the results of the background check to the child care program in a written report that indicates only that the individual on whom the background check was conducted is eligible or ineligible for employment or to reside at the child care program, without revealing any disqualifying offense or other information regarding the individual.

(b) The department shall provide the results of the background check to the individual on whom the background check was conducted in a written report that indicates whether the individual is eligible or ineligible for employment or to reside at the child care program. If the individual is ineligible for employment or to reside at the child care program, the department's report shall include information on each disqualifying offense and information on the right to appeal.

(c) Before the department completes its report under par. (a), a caregiver under sub. (1)(ag)2. may submit a written request to the department for a preliminary report indicating whether a potential caregiver, noncaregiver employee, or household member is eligible to work or reside at a child care program under sub. (4m)(c). If the department receives such a request, it shall provide a written preliminary report to that caregiver indicating whether the individual is barred from working or residing at a child care program on the basis of a background check under sub. (2)(am)1. or 7. If the individual is ineligible to work or reside at a child care program based on the results of the preliminary report, the department shall also provide a preliminary report to the individual containing information related to each disqualifying offense.

(d) The results of a report under par. (c) may not be appealed by the individual until receipt of the department's report under par. (b) following completion of all components of the background check.

(4s)(a) An individual who is the subject of the department's report on the results of a background check may appeal the department's decision. Only the person who is the subject of the department's report may appeal the department's decision. Neither the child care program nor any other person may appeal the department's decision.

(b) An appeal request shall be submitted to the department at the address, e-mail address, or fax number identified in the statement of appeal rights no later than 10 days after the date of the department's decision, unless the appellant requests, and the department grants, an extension for a specific amount of time prior to expiration of the 10 day appeal period. Extensions may be granted for good cause shown.

(c) An appeal shall be submitted in the manner and on forms prescribed by the department, and must include all of the following information:

1. The information or issue disputed by the individual.
2. Any information known to the individual, or available to the individual through the exercise of reasonable diligence, that supports the individual's position.

3. The current or last known names, addresses, telephone numbers, and electronic mail addresses of any persons known or believed to have information relevant to determination of the appeal.

4. Copies of any documents or other materials in the possession of the individual, or reasonably available to the individual, that support the individual's position regarding the disputed information.

(e) The department shall attempt to verify the accuracy of the information challenged by the appellant, including making reasonable good faith efforts to locate any missing information regarding the disqualifying crime that is relevant to the issue identified for appeal.

(f) The department shall sustain the results of its background check report if supported by a preponderance of the available evidence.

(g) The department shall issue its appeal decision in writing. If the results of the original report are sustained upon review, the decision shall indicate the department's efforts to verify the accuracy of the information challenged by the individual. The decision shall also indicate any additional reconsideration and appeal rights available to the appellant.

(h) An appellant under this subsection may seek reconsideration of the department's decision under par. (g) by the secretary or the secretary's designee.

(i) A request for reconsideration detailing the basis for the request must be sent to the secretary at the address, e-mail address, or fax number identified in the department's decision no later than 30 days after the date of the department's decision.

(j) The secretary or secretary's designee shall issue his or her reconsideration decision in writing and shall include information about any additional appeal rights available to the individual.

(k) A denial of reconsideration under this subsection is a final decision of the department, and the appellant has a right to a contested case hearing under ch. 227.

(L) The appeal and reconsideration process set forth in this subsection is the exclusive method for disputing a criminal history background report issued by the department. The department's decision may not be appealed in a ch. 68 or 227 proceeding challenging the denial of a license, certification, or contract to operate a child care program based on the department's criminal history background check report or challenging any other child care regulatory action taken in reliance upon that report.

(m) Notwithstanding s. 19.35, the department may not publicly release or disclose the results of any individual background report it issues, except that the department may release aggregated data by crime as listed in sub. (1)(c) from background check results so long as the data does not contain personally identifiable information. The department may disclose and use information obtained in conducting background checks as necessary during an appeal or reconsideration under this subsection or for another lawful purpose.

(5)(a) A person may have the opportunity to demonstrate his or her rehabilitation to the department or to a tribe authorized to conduct a rehabilitation review under sub. (5d) if any of the following apply:

1. An investigation under sub. (2)(am) indicates that sub. (4m)(a)2., 3., or 4. applies to the person.

2. An investigation under sub. (2)(am) indicates that the person has been convicted or adjudicated delinquent of a serious crime as specified under sub. (1)(c)9. or for a violation of the law of any other state or United States jurisdiction that would be a violation listed in sub. (1)(c)9. if committed in this state, and the person completed his or her sentence, including any probation, parole, or extended supervision, or was discharged by the department of corrections, more than 5 years before the date of the investigation under sub. (2)(am).

(b) If the department or tribe determines that the person has demonstrated rehabilitation in accordance with procedures established by the department by rule or by the tribe and by clear and convincing evidence, the prohibition in sub. (4m)(a) does not apply.

(5c) Any person who is permitted but fails under sub. (5)(a) to demonstrate to the department that he or she has been rehabilitated may appeal to the secretary or his or her designee. Any person who is adversely affected by a decision of the secretary or his or her designee under this paragraph has a right to a contested case hearing under ch. 227.

(5d)(a) Any Indian tribe that chooses to conduct rehabilitation reviews under sub. (5) shall submit to the department a rehabilitation review plan that includes all of the following:

1. The criteria to be used to determine if a person has been rehabilitated.

2. The title of the person or body designated by the Indian tribe to whom a request for review must be made.

3. The title of the person or body designated by the Indian tribe to determine whether a person has been rehabilitated.

3m. The title of the person or body, designated by the Indian tribe, to whom a person may appeal an adverse decision made by the person specified under subd. 3. and whether the Indian tribe provides any further rights to appeal.

4. The manner in which the Indian tribe will submit information relating to a rehabilitation review to the department so that the department may include that information in its report to the legislature required under sub. (5g).

5. A copy of the form to be used to request a review and a copy of the form on which a written decision is to be made regarding whether a person has demonstrated rehabilitation.

(b) If, within 90 days after receiving the plan, the department does not disapprove the plan, the plan shall be considered approved. If, within 90 days after receiving the plan, the department disapproves the plan, the department shall provide notice of that disapproval to the Indian tribe in writing, together with the reasons for the disapproval. The department may not disapprove a plan unless the department finds that the plan is not rationally related to the protection of clients. If the department disapproves the

plan, the Indian tribe may, within 30 days after receiving notice of the disapproval, request that the secretary review the department's decision. A final decision under this paragraph is not subject to further review under ch. 227.

(5g) On January 1 of each year, the department shall submit a report to the legislature under s. 13.172(2) that specifies the number of persons in the previous year who have requested to demonstrate that they have been rehabilitated under sub. (5), the number of persons who successfully demonstrated that they have been rehabilitated under sub. (5), and the reasons for the success or failure of a person who has attempted to demonstrate that he or she has been rehabilitated.

(5m) Notwithstanding s. 111.335, a licensing entity may refuse to issue an approval to operate a child care program to a person, and a child care program may refuse to employ or contract with a caregiver or noncaregiver employee or permit a household member to reside at the child care program if the person has been convicted of or adjudicated delinquent for an offense that is not a serious crime, but that is, in the estimation of the department, substantially related to the care of a client. The department shall notify the provider and the individual of the results of a substantially related determination pursuant to the process set forth in sub. (4p) for background check determinations. The individual shall have the same appeal rights as set forth in sub. (4s), and the same appeal procedures apply.

(7) The department shall conduct throughout the state periodic training sessions that cover procedures and uses of background investigations; reporting and investigating misappropriation of property or abuse or neglect of a client; and any other material that will better enable entities to comply with the requirements of this section.

(8) The department may promulgate any rules necessary for the administration of this section.

History: 2017 a. 59; 2017 a. 364 s. 49; 2019 a. 9; s. 35.17 correction in (1)(c)12. In this case, the revocation of the petitioner's license under the caregiver law did not violate the petitioner's due process rights because the state provided adequate post-deprivation remedies. Petitioner's equal protection claim failed because the law does pass the rational basis test. Regardless of whether the law is rationally related to the goal of protecting children, the law is rationally related to the legitimate purpose of prohibiting individuals who dishonestly benefitted from government welfare in the past from obtaining government funding in the form of childcare subsidies. *Brown v. Department of Children and Families*, 2012 WI App 61, 341 Wis. 2d 449, 819 N.W.2d 827, 11-1350. See also *Blake v. Jossart*, 2016 WI 57, 370 Wis. 2d 1, 884 N.W.2d 484, 12-2578.

Jamerson, 2013 WI 7, instructs that prior to establishing that a conviction satisfies the requirements of s. 48.685(5)(br)5. [now sub. (1)(c)8.], evidence must clearly show that the conviction was for fraudulent activity. The title of the conviction and an uncorroborated criminal complaint presented at the administrative appeal hearing were insufficient to meet this standard. *Blake v. Racine County Human Services Department*, 2013 WI App 45, 347 Wis. 2d 499, 831 N.W.2d 439, 12-0031.

Note: The above annotations relate to licensure under the caregiver law under s. 48.685, stats., prior to the repeal

of that section and the creation of s. 48.686 by 2017 Wis. Act 59.

48.69 Probationary licenses. [2009] Except as provided under s. 48.715(6) and (7), if any child welfare agency, shelter care facility, group home, or child care center that has not been previously issued a license under s. 48.66(1)(a) applies for a license, meets the minimum requirements for a license established under s. 48.67, and pays the applicable fee referred to in s. 48.68(1), the department shall issue a probationary license to that child welfare agency, shelter care facility, group home, or child care center. A probationary license is valid for up to 6 months after the date of issuance unless renewed under this section or suspended or revoked under s. 48.715. Before a probationary license expires, the department shall inspect the child welfare agency, shelter care facility, group home, or child care center holding the probationary license and, except as provided under s. 48.715(6) and (7), if the child welfare agency, shelter care facility, group home, or child care center meets the minimum requirements for a license established under s. 48.67, the department shall issue a license under s. 48.66(1)(a). A probationary license issued under this section may be renewed for one 6-month period.

48.70 Provisions of licenses. [2009]

(1) GENERAL. Each license shall state the name of the person licensed, the premises included under the license, the maximum number of children who can be received and their age and sex and such additional information and special conditions as the department may prescribe.

48.715 Sanctions and penalties. [2017]

(1) In this section, "licensee" means a person who holds a license under s. 48.66(1)(a) or a probationary license under s. 48.69 to operate a child welfare agency, shelter care facility, group home, or child care center.

(2) If the department provides written notice of the grounds for a sanction, an explanation of the types of sanctions that may be imposed under this subsection and an explanation of the process for appealing a sanction imposed under this subsection, the department may order any of the following sanctions:

(a) That a person stop operating a child welfare agency, shelter care facility, group home, or child care center if the child welfare agency, shelter care facility, group home, or child care center is without a license in violation of s. 48.66(1)(a) or a probationary license in violation of s. 48.69.

(b) That a person who employs a person who has had a license under s. 48.66(1)(a) or a probationary license under s. 48.69 revoked within the previous 5 years terminate the employment of that person within 30 days after the date of the order. This paragraph includes employment of a person in any capacity, whether as an officer, director, agent or employee.

(c) That a licensee stop violating any provision of licensure under s. 48.70(1) or rule promulgated by the department under s. 48.658(4)(a) or 48.67.

(d) That a licensee submit a plan of correction for violation of any provision of licensure under s. 48.70(1) or rule promulgated by the department under s. 48.658(4)(a) or 48.67.

(e) That a licensee implement and comply with a plan of correction provided by the department or previously submitted by the licensee and approved by the department.

(f) That a licensee close the intake of any new children until all violations of the provisions of licensure under s. 48.70(1) and the rules promulgated by the department under s. 48.658(4)(a) or 48.67 are corrected.

(g) That a licensee provide training for the licensee's staff members as specified by the department.
